*The Journal of Rheumatology* is a monthly international serial edited by Earl D. Silverman featuring research articles on clinical subjects from scientists working in rheumatology and related fields.

## Correction

### **Rheumatoid Arthritis–Interstitial Lung Disease in the United States: Prevalence, Incidence, and Healthcare Costs and Mortality\***

Raimundo K, Solomon JJ, Olson AL, Kong AM, Cole AL, Fischer A, Swigris JJ. Rheumatoid arthritis–interstitial lung disease in the United States: prevalence, incidence, and healthcare costs and mortality. *J Rheumatol* First Release December 3, 2018. In the Abstract, under Results, the last sentence should read: “At 5 years after first diagnosis in the data, 35.9% of patients had died.”

\*This correction is to the First Release version only, published online December 3, 2018.
