In consideration of publication of the Work by The Journal of Rheumatology Publishing Co. Ltd. (hereafter referred to as the "Publisher"), the Contact Author and any authors executing this assignment hereby agree as follows:

1. The Contact Author will ensure all authors read and sign this assignment and warrants that all the authors of the Work are listed below. If necessary, the Contact Author will photocopy this document and distribute to co-authors for their original signatures. A complete set of duly signed forms must be collected and returned prior to publication to:

**Editor-in-Chief, The Journal of Rheumatology,
365 Bloor St. E., Ste 901, Toronto ON M4W 3L4 Canada;
Fax: 416-967-7556; Email: manuscripts@jrheum.com**

2. Each author warrants that his or her submission to the Work is original and that he or she has full power to enter into this agreement. Neither this Work nor a similar work has been published nor shall be submitted for publication elsewhere.

3. Each author certifies that he or she has participated sufficiently in the intellectual content, the analysis of data, if applicable, and the writing of the Work to take public responsibility as defined under Authorship in *The Journal of Rheumatology's* "Guide for Authors." Each author has reviewed the final version of the Work, believes it represents valid work, and approves it for publication. If excerpts (text, figures, tables, or illustrations) from copyrighted works are included, a written release will be secured by the authors prior to publication, and credit to the original publication will be properly acknowledged.

4. Each author warrants that he or she has obtained written releases from patients whose names or photographs are submitted as part of the Work. Should the Publisher request copies of such written releases, authors shall provide them to the Publisher in a timely manner.

5. On written request from the authors, the Publisher will grant permission to reproduce any text, figures, tables, or illustrations from this Work in future works of their own. Such permission will not be unreasonably withheld by the Publisher.

6. The authors hereby transfer, assign, and otherwise convey to the Publisher all copyright in and to the Work, and all rights therein, including but not limited to the right to publish, republish, transmit, sell, distribute, and otherwise use the Work in whole or in part in electronic and print editions of *The Journal of Rheumatology* and in derivative works throughout the world, in all languages and in all media of expression now known or later developed, and to license or permit others to do so.

7. Authors are permitted to deposit the peer-reviewed accepted version of the manuscript, before publisher copyediting and proof correction, to a non-profit institutional and/or non-profit centrally organized repository (including PubMed Central). However, authors must stipulate that public access to the manuscript be delayed until 12 months after the copyedited version is published online as First Release on *The Journal of Rheumatology* website. For funders mandating earlier access, the manuscript may be made available at an earlier date following approval from the Publisher. Authors must include the following acknowledgment line and a hyperlink to the fully published version of the article posted on *The Journal of Rheumatology* website: "This is a pre-copyediting, author-produced PDF of an article accepted for publication in *The Journal of Rheumatology* following peer review. The definitive publisher-authenticated version [insert complete citation information here] is available online at: xxxxxxx [insert URL for the fully published article here]."
