

RHEUMATOLOGIST OPPORTUNITIES British Columbia, Canada

KAMLOOPS

If you are looking for a general rheumatology practice with a broad array of cases; have time to enjoy your family and outdoor lifestyle, this might be for you! Enjoy variety in your work, a group of great people and an excellent working environment in a community where lifestyle is extraordinary.

TRAIL

A rare opportunity to be the first FT Rheumatologist! You will be well supported by existing team of internists who have provided general service for rheumatology. The community is a natural paradise and is growing fast - and with that has come the need for a Rheumatologist - come and be part of the future!

PENTICTON

Join a collegial team of rheumatologists/internists and other medical subspecialties in a community setting where the lifestyle adventures are endless.

Enjoy a stimulating outpatient clinic or open your own practice with no call and a flexible work schedule. You can create the life and practice you have only ever dreamed about!

Leadership Development Opportunities are available with **NAVIG8 Program**.
